

SUNDAY, JUNE 25

MONDAY, JUNE 26

Workshops at University of Queensland St. Lucia

Workshops at BCEC

	Room TBD	Room TBD	Room TBD		Meeting Room M3	Meeting Room M4	Meeting Room M1	Meeting Room M2
				8:45 - 10:15	EMN Workshop - Statistical Considerations and Pathway Analysis Strategies	Diet and Health LCMS	Data Sharing, Standardisation and Workflow	Hybrid Ion Mobility MS
				10:15 - 10:30				
				10:30 - 12:00	EMN Workshop - Career Development	Clinical Biomarkers	Metabolite Identification Annotation	Advances in High Throughput Targeted Metabolomics Analysis
13:00 - 15:00	13:00 - 17:30 MetaboTools: Analysis of metabolomic data in the context of the metabolic model	ANZMET Round Table + Peer Sessions	EMN Workshop - Experimental Design in Metabolomics		Metabolomics 2017 will begin Monday afternoon, following Workshops. See Conference Agenda for the complete schedule.			
15:00 - 15:30	Break							
15:30 - 17:30	CONT: MetaboTools: Analysis of metabolomic data in the context of the metabolic model	Network medicine approaches for the analysis of metabolomics data	EMN Workshop - MS Metabolomics Data Processing					

DRAFT WORKSHOP SCHEDULE - Subject to change.
