

SUNDAY, JUNE 25

MONDAY, JUNE 26

Workshops at University of Queensland St. Lucia

Workshops at BCEC

	Room TBD	Room TBD	Room TBD		Room TBD	Room TBD	Room TBD	Room TBD
				8:45 - 10:15	Workshop 6: EMN Workshop - Statistical Considerations and Pathway Analysis Strategies	Workshop 7: Role of Metabolomics for Health & Diet Research	Workshop 8: Data Sharing, Standardisation and Workflow for reproducible analysis in Metabolomics	Workshop 9: Hybrid Ion Mobility MS
				10:15 - 10:30				
				10:30 - 12:00	Workshop 10: EMN Workshop - Career Development	Workshop 11: Clinical Biomarkers	Workshop 12: Metabolite Identification Annotation	Workshop 13: Advances in High Throughput Targeted Metabolomics Analysis
13:00 - 15:00	Workshop 1: MetaboTools: Analysis of metabolomic data in the context of the metabolic model	Workshop 2: ANZMET Round Table + Peer Sessions	Workshop 3: EMN Workshop - Experimental Design in Metabolomics	Metabolomics 2017 will begin Monday afternoon, following Workshops. See Conference Agenda for the complete schedule.				
15:00 - 15:30	Break							
15:30 - 17:30	Workshop 1 Continued: MetaboTools: Analysis of metabolomic data in the context of the metabolic model	Workshop 4: Network medicine approaches for the analysis of metabolomics data	Workshop 5: EMN Workshop - MS Metabolomics Data Processing					

DRAFT WORKSHOP SCHEDULE - Subject to change.
